(REVERSE SIDE OF CONTRACT)
(Simple Interest)
(CONT'D) ADDITIONAL TERMS AND CONDITIONS

Simple Interest Contract: This is a simple interest contract. The Finance Charge, Total of Payments and Payment Schedule set forth in the disclosures on the reverse side may differ. The final payment may differ depending upon the dates payments are received and events which occur after this contract is made. For example, early payments will have the effect of reducing your final payment, while late payments will cause your final payment to be higher. Your promise requires you to pay the final payment on the date due, which payment will be equal to all unpaid sums due under this contract, even if the amount of the final payment differs from the amount of final payment disclosed on the reverse side hereof.

Default: If you default in the performance of any of the terms and conditions of this agreement, including, but not limited to, making of any payment later than 30 days of when due, or become insolvent, or file any proceeding under the U. S. Bankruptcy Code, or upon your demise, or if the vehicle is damaged or destroyed, we may at our option and without notice or demand (1) declare all unpaid sums immediately due and payable, (2) file suit against you for all unpaid sums, and (3) take immediate possession of the vehicle. Upon taking possession of the vehicle and giving notice as provided by law, if you do not redeem the vehicle, we will sell it at public or private sale. We may purchase the vehicle at any sale. The proceeds of the sale will be applied first to the expenses of retaking, reconditioning, storing and selling the property, and the remainder will be applied to the unpaid sums owing under this contract. Attorney's fees and court costs are allowed too. If there is any money left over (surplus) it will be paid to you. If a balance still remains owing, you promise to pay that balance upon demand. If you default or breach this agreement you agree to pay finance charges at the Annual Percentage Rate shown on the

reverse side until all sums owing us are paid in full. Our remedies are cumulative and taking of any action is not a waiver and does not prohibit us from pursuing any other remedy. You promise to pay reasonable collection costs and expenses, including attorney's fees, if you default under this agreement. If suit is filed, you agree that attorney's fees and costs will be awarded to the prevailing party. If the vehicle is repossessed we may store personal property found in the vehicle for your account and at your expense and if you do not claim the property within 90 days after the repossession, we may dispose of the personal property in any manner we deem appropriate without liability to you.

Delinquency and Collection Charges: You will pay a delinquency charge equal to the lesser of \$15 or 8 percent of any installment in default for more than 10 days. If you default as described in the preceding paragraph and we refer this contract for collection to an attorney who is not our salaried employee or a salaried employee of the holder of this contract, you will pay reasonable attorney's fees plus court costs, and reasonable collection costs to the extent not prohibited by law.

Demand for Full Payment and Additional Remedies on Default: If you default under this contract, at the time of the default or any time after default (if the default has not been cured previously) we may require immediate payment of the unpaid portion of the amount you owe us. If there is any money left over (surplus) it will be paid to you. On any default, we will have all the remedies of a secured party under the Uniform Commercial Code. If the cash price on the reverse hereof is \$1,000 or less, you will not be personally liable for any deficiency incurred in a sale after repossession.

Ownership of the Collateral: You represent that there are no liens, claims or encumbrances on the Collateral except for the security interest you grant by this contract to us and you further represent that you have executed no financing statement covering the Collateral except for one relating to this contract.

Location and Use of Collateral: You agree to notify us in writing of any change of your address or of any change in the location of the Collateral. Unless you first have received our written consent, you may not take the Collateral out of the State shown in Section D in the section entitled "Address Where Collateral Will Be Located" and you may not sell, lease or otherwise dispose of the Collateral or any part of it by any means. You will comply with all laws, ordinances, regulations and orders relating to the Collateral. You will keep the Collateral in good condition and will not alter or substantially modify it or conceal it. You will not allow any other security interest on the Collateral besides the security interest granted to us under this contract.

Inspection of the Collateral: We may inspect the Collateral at any reasonable time.

Taxes: You are responsible for and will pay when due all taxes and assessments levied on the Collateral. If you fail to do so, we may pay any such tax or

assessment on your behalf. An amount equal to that which we paid will be added to the Total of Payments then owing and you will be charged a finance charge on the amount we paid at the highest lawful contract rate.

Property Insurance: You will keep the Collateral insured against such risks and in such amount as we may from time to time require with an insurer that you choose and we approve. As indicated in Section B, if you choose, we will obtain property insurance for you at the premium shown. Whether the insurance is provided by you or by us, you will pay all premiums for this insurance when the premiums are due and payable. If you provide property insurance, you will deliver the policies to us as additional security and will provide us with receipts showing payment of premiums. If you do not obtain the insurance or pay the premiums, we may do so for you. If we do this, an amount equal to that which we have paid for the premiums will be added to the Total of Payments then owing and a finance charge at the highest lawful rate will be charged on that amount. If we do not obtain the insurance, none of our other rights and remedies will be prejudiced. You agree that any proceeds from insurance are to be used to either repair or replace the vehicle. Whether or not the vehicle is insured, you must pay for it if it is lost, damaged or destroyed. If you default (as described above), we may cancel the insurance and credit any insurance premium refunds to the unpaid balance of this contract.

LIABILITY INSURANCE IS NOT REQUIRED BY THIS CONTRACT. YOU HAVE THE RIGHT TO CHOOSE THE PERSON THROUGH WHOM LIABILITY INSURANCE IS TO BE OBTAINED.

Information to Insurance Company or Agent: You give your permission to furnish any information about the Collateral or any information about insurance policies on the Collateral to an insurance agent or company.

Credit Life and Disability Insurance: If you indicated in Section C that you want optional credit life and/or disability insurance, you agree to pay for such insurance at the premium shown in Section C.

No Warranties: We make no representations, promises or warranties, express or implied, as to the merchantability of the Collateral or whether the Collateral is suitable or fit for the particular purpose intended unless we have done so in this contract or in a separate written agreement signed by us as original Seller of the Collateral, or unless the manufacturer has specifically provided the warranty in writing.

Notices: Any notice we have to give you pursuant to the Uniform Commercial Code will be reasonable if we send it to your address shown in Section D in the section entitled "Your Address After Receipt of Possession of Collateral" at least 5 days before the event with respect to which notice is required.

Time is of the Essence: You understand that all payments that are required must be made on the day due.

Exercising our Rights: We can, without notice, delay enforcing our rights or exercise only part of them, without losing them, waive a right we have to one Buyer without waiving it as to the other(s).

Meaning of Words: In this contract the words "you" and "your" means each and all those who sign this contract as Buyers or Co-Buyers, and their heirs, executors, administrators, successors and assigns. The words "we," "us" and "ours" means the Creditor shown on the reverse in Section A, and if this contract is assigned, its successors and assigns and any other holder of this contract.

Governing Law: This contract has been delivered in the State of Creditor's place of business and will be governed by the laws of that State and applicable federal law.

Invalidity: Wherever possible each provision of this contract shall be interpreted so that it is valid under applicable law, but if any provision is prohibited or invalid, the remaining provisions of this contract will continue to be valid.

NOTICE: ANY HOLDER OF THIS CONSUMER CREDIT CONTRACT IS SUBJECT TO ALL CLAIMS AND DEFENSES WHICH THE DEBTOR COULD ASSERT AGAINST THE SELLER OF GOODS OR SERVICES OBTAINED PURSUANT HERETO OR WITH THE PROCEEDS HEREOF. RECOVERY HEREUNDER BY THE DEBTOR SHALL NOT EXCEED AMOUNTS PAID BY THE DEBTOR HEREUNDER.

If you are buying a used vehicle with this contract, as indicated in the description of the vehicle on the reverse side, federal regulation may require a special buyer's guide to be displayed on the window.

THE INFORMATION YOU SEE ON THE WINDOW FORM FOR THIS VEHICLE IS PART OF THIS CONTRACT. INFORMATION ON THE WINDOW FORM OVERRIDES ANY CONTRARY PROVISIONS IN THE CONTRACT OF SALE.

Assignment: For value received, Seller sells, assigns and transfers to..... (Assignee), its successors and assigns, the entire right, title and interest of Seller in the contract contained herein, including, but not limited to, all amounts payable to Buyer and security interest in the Collateral. To induce Assignee to purchase the contract, Seller represents and warrants to Assignee as follows: (a) the contract is genuine and the statements and amounts inserted herein are correct; (b) the contract and security interest arose entirely from the sale of the Collateral and/or services described in the contract; (c) the down payment, if any be shown on the face hereof, has been received and no part thereof was advanced directly or indirectly by Seller to Buyer; (d) the goods and services have been furnished to the satisfaction of Buyer and all obligations of warranty to Buyer, either express or implied, have

been and will continue to be fulfilled by Seller; (e) the Collateral and/or services have been sold, provided and delivered to and accepted by Buyer; (f) the security interest granted to Seller in the contract constitutes a valid first lien on the Collateral and has been filed or recorded according to law to preserve the priority of each lien; (g) the Collateral is free and clear of all liens and encumbrances, except the security interest granted by this contract; (h) the full amount of the stated Total of Payments remains unpaid; (i) Seller is the holder of the contract and the security interest in the Collateral free and clear of all liens and encumbrances and Seller has full power and authority to assign the same; (j) the transaction was consummated on the above date set forth in the contract and Buyer did not receive possession of the Collateral prior to the date of consummation; (k) Buyer was furnished a completed copy of the contract prior to consummation; (l) the Collateral is insured in a company acceptable to Assignee against physical damage in addition to such other risks as Assignee requires under an insurance policy acceptable to Assignee; (m) Seller has not knowingly communicated to Assignee incorrect information relating to the Buyer's application or credit statement or knowingly failed to communicate information relating to such application or credit statement; (n) the facts set forth in the contract are true; (o) Buyer has no defense or counterclaim to payment of the obligation evidenced by the contract; (p) Buyer is or, if more than one, each is not a minor and has legal capacity to execute this contract and is liable thereon; and (q) Seller has no reason to believe the Buyer has ever violated any laws concerning liquor or narcotics.

In the event any warranty shall be breached or any representation shall be false, Seller shall, upon demand and irrespective of whether the contract is then in default, repurchase the contract from Assignee at a price equal to the unpaid balance of the contract plus accrued interest, or such other amount agreed to by Seller and Assignee in a separate agreement as in effect on the date of such demand by Assignee, plus any costs or expenses of collection, including attorney's fees, whether incurred by Assignee by suit or on appeal or otherwise. Seller waives all defenses that otherwise might have been available but nothing herein contained shall preclude Assignee from enforcing against Seller any other remedies provided by law for misrepresentation or breach of warranty. In the event of any proceedings commenced by Assignee against Buyer with respect to the contract, services or the Collateral, if Buyer asserts as a defense, set off or counterclaim any act, omission or default by Seller, Seller shall forthwith on demand repurchase the contract for the amount set forth above. The provisions of this assignment shall be binding on the heirs, representatives, successors and assigns of Seller and shall inure to the benefit of the successors and assigns of Assignee. The above assignment provisions apply and are in addition to any obligations of Seller as provided in the paragraph below endorsed by Seller.

1. **RECOURSE:** Seller absolutely and unconditionally guarantees the prompt payment of either the total unpaid amount of the contract and any accrued interest or such other amount agreed to by Seller and Assignee in a separate agreement, together with all costs, expenses and reasonable attorney's fees incurred in the collection of said amount. Buyer, or arising by reason of any extension of time given to Buyer, or by reason of any failure by Assignee to pursue Buyer or the Collateral or other property of Buyer or to resort to other security or remedies which may be available, and waives any and all defenses arising out of the guarantor relationship.

(REVERSE SIDE OF CONTRACT)
(Add-on Interest)
(CONT'D) ADDITIONAL TERMS AND CONDITIONS

Prepayment Rebate: You may prepay this contract in full at any time before the final installment is due. If the rights of the Buyer have not been terminated or forfeited under the terms of the contract, the Buyer may prepay in full the unpaid time balance thereof at any time before its final due date and, if Buyer does so, and if the contract is not in default under any term or condition of the contract more than 2 months, Buyer is entitled to a refund of the unearned portion of the time-price differential for the prepayment. The amount of the refund must be computed by applying the agreed rate of the time-price differential to the unpaid time balance. Any greater amount of the time-price differential which may have been precomputed and included in the balance due must be refunded.

Default: If you default in the performance of any of the terms and conditions of this agreement, including, but not limited to, making of any payment later than 30 days of when due, or become insolvent, or file any proceeding under the U. S. Bankruptcy Code, or upon your demise, or if the vehicle is damaged or destroyed, we may at our option and without notice or demand (1) declare all unpaid sums immediately due and payable, (2) file suit against you for all unpaid sums, and (3) take immediate possession of the vehicle. Upon taking possession of the vehicle and giving notice as provided by law, if you do not redeem the vehicle, we will sell it at public or private sale. We may purchase the vehicle at any sale. The proceeds of the sale will be applied first to the expenses of retaking, reconditioning, storing and selling the property, and the remainder will be applied to the unpaid sums owing under this contract. Attorney's fees and court costs are allowed too. If there is any money left over (surplus) it will be paid to you. If a balance still remains owing, you promise to pay that balance upon demand. If you default or breach this agreement you agree to pay finance charges at the Annual Percentage Rate shown on the reverse side until all sums owing us are paid in full. Our remedies are cumulative and taking of any action is not a waiver and does not prohibit us from pursuing any other remedy. You promise to pay reasonable collection

costs and expenses, including attorney's fees, if you default under this agreement. If suit is filed, you agree that attorney's fees and costs will be awarded to the prevailing party. If the vehicle is repossessed we may store personal property found in the vehicle for your account and at your expense and if you do not claim the property within 90 days after the repossession, we may dispose of the personal property in any manner we deem appropriate without liability to you.

Delinquency and Collection Charges: You will pay a delinquency charge equal to the lesser of \$15 or 8 percent of any installment in default for more than 10 days. If you default as described in the preceding paragraph and we refer this contract for collection to an attorney who is not our salaried employee or a salaried employee of the holder of this contract, you will pay reasonable attorney's fees plus court costs, and reasonable collection costs to the extent not prohibited by law.

Demand for Full Payment and Additional Remedies on Default: If you default under this contract, at the time of the default or any time after default (if the default has not been cured previously) we may require immediate payment of the unpaid portion of the amount you owe us. If we do so, that unpaid portion will be reduced by the unearned Finance Charge computed as if you repaid in full. On any default, we will have all the remedies of a secured party under the Uniform Commercial Code. If the cash price on the reverse hereof is \$1,000 or less, you will not be personally liable for any deficiency incurred in a sale after repossession.

Ownership of the Collateral: You represent that there are no liens, claims or encumbrances on the Collateral except for the security interest you grant by this contract to us and you further represent that you have executed no financing statement covering the Collateral except for one relating to this contract.

Location and Use of Collateral: You agree to notify us in writing of any change of your address or of any change in the location of the Collateral. Unless you first have received our written consent, you may not take the Collateral out of the State shown in Section D in the section entitled "Address Where Collateral Will Be Located" and you may not sell, lease or otherwise dispose of the Collateral or any part of it by any means. You will comply with all laws, ordinances, regulations and orders relating to the Collateral. You will keep the Collateral in good condition and will not alter or substantially modify it or conceal it. You will not allow any other security interest on the Collateral besides the security interest granted to us under this contract.

Inspection of the Collateral: We may inspect the Collateral at any reasonable time.

Taxes: You are responsible for and will pay when due all taxes and assessments levied on the Collateral. If you fail to do so, we may pay any such tax or assessment on your behalf. An amount equal to that which we paid will be

added to the Total of Payments then owing and you will be charged a finance charge on the amount we paid at the highest lawful contract rate.

Property Insurance: You will keep the Collateral insured against such risks and in such amount as we may from time to time require with an insurer that you choose and we approve. As indicated in Section B, if you choose, we will obtain property insurance for you at the premium shown. Whether the insurance is provided by you or by us, you will pay all premiums for this insurance when the premiums are due and payable. If you provide property insurance, you will deliver the policies to us as additional security and will provide us with receipts showing payment of premiums. If you do not obtain the insurance or pay the premiums, we may do so for you. If we do this, an amount equal to that which we have paid for the premiums will be added to the Total of Payments then owing and a finance charge at the highest lawful rate will be charged on that amount. If we do not obtain the insurance, none of our other rights and remedies will be prejudiced. You agree that any proceeds from insurance are to be used to either repair or replace the vehicle. Whether or not the vehicle is insured, you must pay for it if it is lost, damaged or destroyed. If you default (as described above), we may cancel the insurance and credit any insurance premium refunds to the unpaid balance of this contract.

LIABILITY INSURANCE IS NOT REQUIRED BY THIS CONTRACT. YOU HAVE THE RIGHT TO CHOOSE THE PERSON THROUGH WHOM LIABILITY INSURANCE IS TO BE OBTAINED.

Information to Insurance Company or Agent: You give your permission to furnish any information about the Collateral or any information about insurance policies on the Collateral to an insurance agent or company.

Credit Life and Disability Insurance: If you indicated in Section C that you want optional credit life and/or disability insurance, you agree to pay for such insurance at the premium shown in Section C.

No Warranties: We make no representations, promises or warranties, express or implied, as to the merchantability of the Collateral or whether the Collateral is suitable or fit for the particular purpose intended unless we have done so in this contract or in a separate written agreement signed by us as original Seller of the Collateral, or unless the manufacturer has specifically provided the warranty in writing.

Notices: Any notice we have to give you pursuant to the Uniform Commercial Code will be reasonable if we send it to your address shown in Section D in the section entitled "Your Address After Receipt of Possession of Collateral" at least 5 days before the event with respect to which notice is required.

Time is of the Essence: You understand that all payments that are required must be made on the day due.

Exercising our Rights: We can, without notice, delay enforcing our rights or exercise only part of them, without losing them, waive a right we have to one Buyer without waiving it as to the other(s).

Meaning of Words: In this contract the words "you" and "your" means each and all those who sign this contract as Buyers or Co-Buyers, and their heirs, executors, administrators, successors and assigns. The words "we," "us" and "ours" means the Creditor shown on the reverse in Section A, and if this contract is assigned, its successors and assigns and any other holder of this contract.

Governing Law: This contract has been delivered in the State of Creditor's place of business and will be governed by the laws of that State and applicable federal law.

Invalidity: Wherever possible each provision of this contract shall be interpreted so that it is valid under applicable law, but if any provision is prohibited or invalid, the remaining provisions of this contract will continue to be valid.

NOTICE: ANY HOLDER OF THIS CONSUMER CREDIT CONTRACT IS SUBJECT TO ALL CLAIMS AND DEFENSES WHICH THE DEBTOR COULD ASSERT AGAINST THE SELLER OF GOODS OR SERVICES OBTAINED PURSUANT HERETO OR WITH THE PROCEEDS HEREOF. RECOVERY HEREUNDER BY THE DEBTOR SHALL NOT EXCEED AMOUNTS PAID BY THE DEBTOR HEREUNDER.

If you are buying a used vehicle with this contract, as indicated in the description of the vehicle on the reverse side, federal regulation may require a special buyer's guide to be displayed on the window.

THE INFORMATION YOU SEE ON THE WINDOW FORM FOR THIS VEHICLE IS PART OF THIS CONTRACT. INFORMATION ON THE WINDOW FORM OVERRIDES ANY CONTRARY PROVISIONS IN THE CONTRACT OF SALE.

Assignment: For value received, Seller sells, assigns and transfers to..... (Assignee), its successors and assigns, the entire right, title and interest of Seller in the contract contained herein, including, but not limited to, all amounts payable to Buyer and security interest in the Collateral. To induce Assignee to purchase the contract, Seller represents and warrants to Assignee as follows: (a) the contract is genuine and the statements and amounts inserted herein are correct; (b) the contract and security interest arose entirely from the sale of the Collateral and/or services described in the contract; (c) the down payment, if any be shown on the face hereof, has been received and no part thereof was advanced directly or indirectly by Seller to Buyer; (d) the goods and services have been furnished to the satisfaction of Buyer and all obligations of warranty to Buyer, either express or implied, have

been and will continue to be fulfilled by Seller; (e) the Collateral and/or services have been sold, provided and delivered to and accepted by Buyer; (f) the security interest granted to Seller in the contract constitutes a valid first lien on the Collateral and has been filed or recorded according to law to preserve the priority of each lien; (g) the Collateral is free and clear of all liens and encumbrances, except the security interest granted by this contract; (h) the full amount of the stated Total of Payments remains unpaid; (i) Seller is the holder of the contract and the security interest in the Collateral free and clear of all liens and encumbrances and Seller has full power and authority to assign the same; (j) the transaction was consummated on the above date set forth in the contract and Buyer did not receive possession of the Collateral prior to the date of consummation; (k) Buyer was furnished a completed copy of the contract prior to consummation; (l) the Collateral is insured in a company acceptable to Assignee against physical damage in addition to such other risks as Assignee requires under an insurance policy acceptable to Assignee; (m) Seller has not knowingly communicated to Assignee incorrect information relating to the Buyer's application or credit statement or knowingly failed to communicate information relating to such application or credit statement; (n) the facts set forth in the contract are true; (o) Buyer has no defense or counterclaim to payment of the obligation evidenced by the contract; (p) Buyer is or, if more than one, each is not a minor and has legal capacity to execute this contract and is liable thereon; and (q) Seller has no reason to believe the Buyer has ever violated any laws concerning liquor or narcotics.

In the event any warranty shall be breached or any representation shall be false, Seller shall, upon demand and irrespective of whether the contract is then in default, repurchase the contract from Assignee at a price equal to either the unpaid balance of the Total of Payments (after deducting the unearned Finance Charge) or such other amount agreed to by Seller and Assignee in a separate agreement as in effect on the date of such demand by Assignee, plus any costs or expenses of collection, including attorney's fees, whether incurred by Assignee by suit or on appeal, or otherwise. Seller waives all defenses that otherwise might have been available but nothing herein contained shall preclude Assignee from enforcing against Seller any other remedies provided by law for misrepresentation or breach of warranty. In the event of any proceedings commenced by Assignee against Buyer with respect to the contract, services or the Collateral, if Buyer asserts as a defense, set off or counterclaim any act, omission or default by Seller, Seller shall forthwith on demand repurchase the contract for the amount set forth above. The provisions of this assignment shall be binding on the heirs, representatives, successors and assigns of Seller and shall inure to the benefit of the successors and assigns of Assignee. The above assignment provisions apply and are in addition to any obligations of Seller as provided in the paragraph below endorsed by Seller.

1. **RECOURSE:** Seller absolutely and unconditionally guarantees the prompt payment of either the Total of Payments (after deducting the unearned Finance Charge, when due, whether at maturity or by acceleration) or such other amount agreed to by Seller and Assignee in a separate agreement, together with all costs, expenses and reasonable attorney's fees incurred in the collection of said amount. Seller waives all defenses arising by reason of any

failure to give notice of acceptance of this guaranty or default of Buyer, or arising by reason of any extension of time given to Buyer, or by reason of any failure by Assignee to pursue Buyer or the Collateral or other property of Buyer or to resort to other security or remedies which may be available, and waives any and all defenses arising out of the guarantor relationship.

REPURCHASE: In the event of default by the Buyer under any of the terms or conditions of the contract, Seller will repossess and repurchase the Collateral, or if the Collateral has already been repossessed, Seller will repurchase the Collateral at the place of repossession or recovery. The Collateral will be repurchased in any event AS IS, at a price equal to either the then unpaid balance of the Total of Payments (after deducting the unearned Finance Charge) or such other amount agreed to by Seller and Assignee in a separate agreement as in effect as of the default, together with all costs, expenses and reasonable attorney's fees incurred by Assignee in the collection of said amount. Seller waives all defenses arising by reason of any failure to give notice of acceptance of this agreement or default of Buyer, or arising by reason of extension of time given to Buyer, or by reason of any failure by Assignee to pursue Buyer or the Collateral or other property of Buyer or to resort to other security or remedies which may be available, and waives all other defenses that might otherwise have been available. At the time of repurchase, Seller shall pay to Assignee the purchase price in cash and Assignee may reassign to Seller without recourse and without warranties, express or implied, all title retention or lien instruments and all contracts or promissory notes which Assignee then holds upon such Collateral.

Seller waives all defenses arising by reason of any failure to give notice of acceptance of this agreement or default of Buyer, or arising by reason of any extension of time given to Buyer, or by reason of any failure by Assignee to pursue Buyer or the Collateral or other property of Buyer or to resort to other security or remedies which may be available, and Seller waives any other defenses that might otherwise have been available.

(CONT'D) ADDITIONAL TERMS AND CONDITIONS

Prepayment Rebate: You may prepay this contract in full at any time before the final installment is due. If the rights of the Buyer have not been terminated or forfeited under the terms of the contract, the Buyer may prepay in full the unpaid time balance thereof at any time before its final due date and, if Buyer does so, and if the contract is not in default under any term or condition of the contract more than 2 months, Buyer is entitled to a refund of the unearned portion of the time-price differential for the prepayment. The amount of the refund must be computed by applying the agreed rate of the time-price differential to the unpaid time balance. Any greater amount of the time-price differential which may have been precomputed and included in the balance due must be refunded.

Balloon Payment: For purposes of the contract, a "Balloon Payment" is an originally scheduled final payment owed to us that is substantially larger than any of the prior scheduled payments. If this contract contains a Balloon Payment, you agree that when such payment becomes due to be paid to either (1) pay the Balloon Payment in its full amount when it is due to be paid, (2) refinance the Balloon Payment as described in the paragraph "Refinancing Balloon Payments" below, or (3) sell the vehicle to us as described in the paragraph "Return of Vehicle" below.

Refinancing Balloon Payments: If the originally schedule final payment owed to us is a Balloon Payment, you may refinance the Balloon Payment unless you have violated some part of this contract. You must provide us with proof that the vehicle is insured in a manner that is acceptable to us before you can refinance the Balloon Payment. The Annual Percentage Rate and the term of the refinancing of the Balloon Payment will not exceed that allowed by law. You must notify us in writing of your intention to refinance the Balloon Payment at least 30 days before the date the Balloon Payment must be paid except as allowed in the paragraph "Return of Vehicle" below.

Return of Vehicle: If the originally schedule final payment owed to us is a Balloon Payment, you may sell the vehicle to us for an amount that is equal to the amount of the Balloon Payment you owe us. Also, you must pay us \$.08 per mile for each mile you drive the vehicle in excess of the total number of miles allowed as stated on the front of this contract plus the cost of all repairs

that are the result of excess wear and tear. Excess wear and tear includes, among other things: (1) broken, damaged or discolored glass; (2) damage to the body, metalwork, lights, trim or paint; (3) removal of equipment that was part of the vehicle when you accepted the vehicle unless you substituted replacement equipment that is satisfactory to us; (4) damage from flood water, hail or sand; or (5) any damage or other condition that makes the vehicle either unsafe or unlawful to drive. Each tire must have at least 1/8-inch tread. All tires must be part of a matching set. Snow tires are not acceptable. You must maintain the vehicle according to the manufacturer's recommended maintenance schedule and must produce evidence of this upon our request. In order to sell the vehicle back to us, you must contact us in writing 30 days before the due date of the Balloon Payment and arrange a time and place suitable to us for inspection of the vehicle no later than 15 days before the due date of the Balloon Payment. At this inspection we will determine whether there is any excess mileage or excess wear and tear on the vehicle. If after the inspection of the vehicle you decide to sell the vehicle to us, you must give us the vehicle no later than the date the Balloon Payment is due along with a certified check in the amount you owe us for excess mileage and excess wear and tear, if any, as was determined at the vehicle inspection and a certificate of title to the vehicle that shows no liens other than our lien and that transfers ownership of the vehicle to us. If you decide not to sell us the vehicle after the inspection, you must either (1) pay the total amount of the Balloon Payment owed when it becomes due, or (2) contact us within 5 days after the inspection and inform us that you want to refinance the Balloon Payment and refinance the Balloon Payment on or before the date it is due. If you disagree with the amount of money you must pay to us for wear and tear as determined at the inspection of the vehicle, you may obtain, at your own expense, from a factory-authorized dealer of the vehicle approved by us a dollar estimate of the amount of wear and tear. The amount that you owe us for wear and tear will be the lower of the amount determined as excess wear and tear on the vehicle by the inspection discussed above or the estimate obtained at your expense.

Default: If you default in the performance of any of the terms and conditions of this agreement, including, but not limited to, making of any payment later than 30 days of when due, or become insolvent, or file any proceeding under the U. S. Bankruptcy Code, or upon your demise, or if the vehicle is damaged or destroyed, we may at our option and without notice or demand (1) declare all unpaid sums immediately due and payable, (2) file suit against you for all unpaid sums, and (3) take immediate possession of the vehicle. Upon taking possession of the vehicle and giving notice as provided by law, if you do not redeem the vehicle, we will sell it at public or private sale. We may purchase the vehicle at any sale. The proceeds of the sale will be applied first to the expenses of retaking, reconditioning, storing and selling the property, and the remainder will be applied to the unpaid sums owing under this contract. Attorney's fees and court costs are allowed too. If there is any money left over (surplus) it will be paid to you. If a balance still remains owing, you promise to pay that balance upon demand. If you default or breach this agreement you agree to pay finance charges at the Annual Percentage Rate shown on the reverse side until all sums owing us are paid in full. Our remedies are cumulative and taking of any action is not a waiver and does not prohibit us

from pursuing any other remedy. You promise to pay reasonable collection costs and expenses, including attorney's fees, if you default under this agreement. If suit is filed, you agree that attorney's fees and costs will be awarded to the prevailing party. If the vehicle is repossessed we may store personal property found in the vehicle for your account and at your expense and if you do not claim the property within 90 days after the repossession, we may dispose of the personal property in any manner we deem appropriate without liability to you.

Delinquency and Collection Charges: You will pay a delinquency charge equal to the lesser of \$15 or 8 percent of any installment in default for more than 10 days. If you default as described in the preceding paragraph and we refer this contract for collection to an attorney who is not our salaried employee or a salaried employee of the holder of this contract, you will pay reasonable attorney's fees plus court costs, and reasonable collection costs to the extent not prohibited by law.

Demand for Full Payment and Additional Remedies on Default: If you default under this contract, at the time of the default or any time after default (if the default has not been cured previously) we may require immediate payment of the unpaid portion of the amount you owe us. If we do so, that unpaid portion will be reduced by the unearned Finance Charge computed as if you repaid in full. On any default, we will have all the remedies of a secured party under the Uniform Commercial Code. If the cash price on the reverse hereof is \$1,000 or less, you will not be personally liable for any deficiency incurred in a sale after repossession.

Ownership of the Collateral: You represent that there are no liens, claims or encumbrances on the Collateral except for the security interest you grant by this contract to us and you further represent that you have executed no financing statement covering the Collateral except for one relating to this contract.

Location and Use of Collateral: You agree to notify us in writing of any change of your address or of any change in the location of the Collateral. Unless you first have received our written consent, you may not take the Collateral out of the State shown in Section D in the section entitled "Address Where Collateral Will Be Located" and you may not sell, lease or otherwise dispose of the Collateral or any part of it by any means. You will comply with all laws, ordinances, regulations and orders relating to the Collateral. You will keep the Collateral in good condition and will not alter or substantially modify it or conceal it. You will not allow any other security interest on the Collateral besides the security interest granted to us under this contract.

Inspection of the Collateral: We may inspect the Collateral at any reasonable time.

Taxes: You are responsible for and will pay when due all taxes and assessments levied on the Collateral. If you fail to do so, we may pay any such tax or assessment on your behalf. An amount equal to that which we paid will be

added to the Total of Payments then owing and you will be charged a finance charge on the amount we paid at the highest lawful contract rate.

Property Insurance: You will keep the Collateral insured against such risks and in such amount as we may from time to time require with an insurer that you choose and we approve. As indicated in Section B, if you choose, we will obtain property insurance for you at the premium shown. Whether the insurance is provided by you or by us, you will pay all premiums for this insurance when the premiums are due and payable. If you provide property insurance, you will deliver the policies to us as additional security and will provide us with receipts showing payment of premiums. If you do not obtain the insurance or pay the premiums, we may do so for you. If we do this, an amount equal to that which we have paid for the premiums will be added to the Total of Payments then owing and a finance charge at the highest lawful rate will be charged on that amount. If we do not obtain the insurance, none of our other rights and remedies will be prejudiced. You agree that any proceeds from insurance are to be used to either repair or replace the vehicle. Whether or not the vehicle is insured, you must pay for it if it is lost, damaged or destroyed. If you default (as described above), we may cancel the insurance and credit any insurance premium refunds to the unpaid balance of this contract.

LIABILITY INSURANCE IS NOT REQUIRED BY THIS CONTRACT. YOU HAVE THE RIGHT TO CHOOSE THE PERSON THROUGH WHOM LIABILITY INSURANCE IS TO BE OBTAINED.

Information to Insurance Company or Agent: You give your permission to furnish any information about the Collateral or any information about insurance policies on the Collateral to an insurance agent or company.

Credit Life and Disability Insurance: If you indicated in Section C that you want optional credit life and/or disability insurance, you agree to pay for such insurance at the premium shown in Section C.

No Warranties: We make no representations, promises or warranties, express or implied, as to the merchantability of the Collateral or whether the Collateral is suitable or fit for the particular purpose intended unless we have done so in this contract or in a separate written agreement signed by us as original Seller of the Collateral, or unless the manufacturer has specifically provided the warranty in writing.

Notices: Any notice we have to give you pursuant to the Uniform Commercial Code will be reasonable if we send it to your address shown in Section D in the section entitled "Your Address After Receipt of Possession of Collateral" at least 5 days before the event with respect to which notice is required.

Time is of the Essence: You understand that all payments that are required must be made on the day due.

Exercising our Rights: We can, without notice, delay enforcing our rights or exercise only part of them, without losing them, waive a right we have to one Buyer without waiving it as to the other(s).

Meaning of Words: In this contract the words "you" and "your" means each and all those who sign this contract as Buyers or Co-Buyers, and their heirs, executors, administrators, successors and assigns. The words "we," "us" and "ours" means the Creditor shown on the reverse in Section A, and if this contract is assigned, its successors and assigns and any other holder of this contract.

Governing Law: This contract has been delivered in the State of Creditor's place of business and will be governed by the laws of the State and applicable federal law.

Invalidity: Wherever possible each provision of this contract shall be interpreted so that it is valid under applicable law, but if any provision is prohibited or invalid, the remaining provisions of this contract will continue to be valid.

NOTICE: ANY HOLDER OF THIS CONSUMER CREDIT CONTRACT IS SUBJECT TO ALL CLAIMS AND DEFENSES WHICH THE DEBTOR COULD ASSERT AGAINST THE SELLER OF GOODS OR SERVICES OBTAINED PURSUANT HERETO OR WITH THE PROCEEDS HEREOF. RECOVERY HEREUNDER BY THE DEBTOR SHALL NOT EXCEED AMOUNTS PAID BY THE DEBTOR HEREUNDER.

If you are buying a used vehicle with this contract, as indicated in the description of the vehicle on the reverse side, federal regulation may require a special buyer's guide to be displayed on the window.

Assignment: For value received, Seller sells, assigns and transfers to..... (Assignee), its successors and assigns, the entire right, title and interest of Seller in the contract contained herein, including, but not limited to, all amounts payable to Buyer and security interest in the Collateral. To induce Assignee to purchase the contract, Seller represents and warrants to Assignee as follows: (a) the contract is genuine and the statements and amounts inserted herein are correct; (b) the contract and security interest arose entirely from the sale of the Collateral and/or services described in the contract; (c) the down payment, if any be shown on the face hereof, has been received and no part thereof was advanced directly or indirectly by Seller to Buyer; (d) the goods and services have been furnished to the satisfaction of Buyer and all obligations of warranty to Buyer, either express or implied, have

been and will continue to be fulfilled by Seller; (e) the Collateral and/or services have been sold, provided and delivered to and accepted by Buyer; (f) the security interest granted to Seller in the contract constitutes a valid first lien on the Collateral and has been filed or recorded according to law to preserve the priority of each lien; (g) the Collateral is free and clear of all liens and encumbrances, except the security interest granted by this contract; (h) the full amount of the stated Total of Payments remains unpaid; (i) Seller is the holder of the contract and the security interest in the Collateral free and clear of all liens and encumbrances and Seller has full power and authority to assign the same; (j) the transaction was consummated on the above date set forth in the contract and Buyer did not receive possession of the Collateral prior to the date of consummation; (k) Buyer was furnished a completed copy of the contract prior to consummation; (l) the Collateral is insured in a company acceptable to Assignee against physical damage in addition to such other risks as Assignee requires under an insurance policy acceptable to Assignee; (m) Seller has not knowingly communicated to Assignee incorrect information relating to the Buyer's application or credit statement or knowingly failed to communicate information relating to such application or credit statement; (n) the facts set forth in the contract are true; (o) Buyer has no defense or counterclaim to payment of the obligation evidenced by the contract; (p) Buyer is or, if more than one, each is not a minor and has legal capacity to execute this contract and is liable thereon; and (q) Seller has no reason to believe the Buyer has ever violated any laws concerning liquor or narcotics.

In the event any warranty shall be breached or any representation shall be false, Seller shall, upon demand and irrespective of whether the contract is then in default, repurchase the contract from Assignee at a price equal to either the unpaid balance of the Total of Payments (after deducting the unearned Finance Charge) or such other amount agreed to by Seller and Assignee in a separate agreement as in effect on the date of such demand by Assignee, plus any costs or expenses of collection, including attorney's fees, whether incurred by Assignee by suit or on appeal or otherwise. Seller waives all defenses that otherwise might have been available but nothing herein contained shall preclude Assignee from enforcing against Seller any other remedies provided by law for misrepresentation or breach of warranty. In the event of any proceedings commenced by Assignee against Buyer with respect to the contract, services or the Collateral, if Buyer asserts as a defense, set off or counterclaim any act, omission or default by Seller, Seller shall forthwith on demand repurchase the contract for the amount set forth above. The provisions of this assignment shall be binding on the heirs, representatives, successors and assigns of Seller and shall inure to the benefit of the successors and assigns of Assignee. The above assignment provisions apply and are in addition to any obligations of Seller as provided in the paragraph below endorsed by Seller.

1. **RECOURSE:** Seller absolutely and unconditionally guarantees the prompt payment of either the Total of Payments (after deducting the unearned Finance Charge, when due, whether at maturity or by acceleration) or such other amount agreed to by Seller and Assignee in a separate agreement, together with all costs, expenses and reasonable attorney's fees incurred in the collection of said amount. Seller waives all defenses arising by reason of any

failure to give notice of acceptance of this guaranty or default of Buyer, or arising by reason of any extension of time given to Buyer, or by reason of any failure by Assignee to pursue Buyer or the Collateral or other property of Buyer or to resort to other security or remedies which may be available, and waives any and all defenses arising out of the guarantor relationship.

The Collateral will be repurchased in any event AS IS, at a price equal to either the then unpaid balance of the Total of Payments (after deducting the unearned Finance Charge) or such other amount agreed to by Seller and Assignee in a separate agreement as in effect as of the default, together with all costs, expenses and reasonable attorney's fees incurred by Assignee in the collection of said amount. Seller waives all defenses arising by reason of any failure to give notice of acceptance of this agreement or default of Buyer, or arising by reason of extension of time given to Buyer, or by reason of any failure by Assignee to pursue Buyer or the Collateral or other property of Buyer or to resort to other security or remedies which may be available, and waives all other defenses that might otherwise have been available. In the event any warranty shall be breached or any representation shall be false, Seller shall, upon demand and irrespective of whether the contract is then in default, repurchase the contract from Assignee at a price equal to either the unpaid balance of the Total of Payments (after deducting the unearned Finance Charge) or such other amount agreed to by Seller and Assignee in a separate agreement as in effect on the date of such demand by Assignee, plus any costs or expenses of collection, including attorney's fees, whether incurred by Assignee by suit or on appeal, or otherwise. Seller waives all defenses that otherwise might have been available but nothing herein contained shall preclude Assignee from enforcing against Seller any other remedies provided by law for misrepresentation or breach of warranty. In the event of any proceedings commenced by Assignee against Buyer with respect to the contract, services or the Collateral, if Buyer asserts as a defense, set off or counterclaim any act, omission or default by Seller, Seller shall forthwith on demand repurchase the contract for the amount set forth above. The provisions of this assignment shall be binding on the heirs, representatives, successors and assigns of Seller and shall inure to the benefit of the successors and assigns of Assignee. The above assignment provisions apply and are in addition to any obligations of Seller as provided in the paragraph below endorsed by Seller.

Seller waives all defenses arising by reason of any failure to give notice of acceptance of this guaranty or default of Buyer, or arising by reason of any extension of time given to Buyer, or by reason of any failure by Assignee to pursue Buyer or the Collateral or other property of Buyer or to resort to other security or remedies which may be available, and waives any and all defenses arising out of the guarantor relationship.
